

Park Like A Local

Use this handy map for places to park. If you plan to stay more than 2 hours, there are plenty of long-term parking areas within a short walk of wherever you're going in town (we're small). Taking a stroll keeps the short-term parking available for business customers, gives you a chance to window shop on the way – and is good for you too!

1. City Hall
2. Ore Wagon Museum
3. Town Square
4. Community Library
5. Post Office
6. Post Office Parking
7. Forest Service Park
8. YMCA

P Sticking around longer? Use the city lot on Washington Ave. It's a bargain! The first 3 hours are free and then .25¢ per hour. Avoid a stop at the kiosk by downloading the **WayToPark app** to keep parking conveniently in your pocket. You can also park in the Leadville lot for .50¢ per hour, but not overnight.

Don't have a car? Don't want to drive? Take the bus!
Visit mountainrides.org for bus schedules and information.

Rules of the Road

Don't Talk/Text & Drive

We like to keep our roads and pedestrians safe and YOU from getting a citation. Please drive safely.

Penalty: \$100

Priority Parking

Customers are our priority. To promote a business friendly downtown, the City wants to keep short-term parking spaces available for customers. Business owners and employees are encouraged to park in long-term locations.

Penalty: Warning - \$50 - \$75

Turn it Off

Ketchum has a 3-minute maximum idling ordinance. Help keep our mountain air clean, reduce greenhouse gas emissions and save fuel by turning off your car.

Penalty: \$25

Take Good Care of Your Pets

We love your pets. Ketchum helps protect its animals by prohibiting them in unattended vehicles in dangerous conditions. Heat exhaustion is common and can lead to heat stroke. Even on cloudy 70° days, temperatures inside vehicles can quickly reach 115°!

Penalty: \$100 - \$250 per animal

Now let's say it's winter...

Snowing or not, you need to keep your car off the streets and public parking lots (see below) **from Nov. 1 to May 1**, between 2am (1am in the Washington Lot) and 7am. That's when the plows and other winter road maintenance vehicles get to work. We ticket and tow so please park properly.

Penalty: \$50 and towed vehicle

You can park all night in the Washington lot but read the signs carefully. We plow alternate rows daily to make room for your vehicle. Rows are marked for even and odd days. We plow a set of rows on even days (like Dec. 30 from 1-7am) and the other side on odd days (like Dec. 31 from 1-7am).

Remember! A new day starts at midnight. So, if you're planning to not drive home on the night of December 30, be sure you DON'T park in the odd row because plowing will occur between 1-7am on the 31st. This is another time you'll want parking in your pocket, so download the **WayToPark app**.

CITY OF KETCHUM
