

LOCAL RESOURCES FOR FLOOD RELATED ACTIVITIES

Please contact Land Use & Building Services for further information including the process and procedure of an Emergency Stream Alteration Application. 208-788-5570

Also, please check local city or county ordinances on proper placement of sandbags and bladders/cofferdams. For example, in Blaine County they must be placed within 10 ft of a structure as per code BCC9-17-6B-a-1.
