Action Items

3. ACTION ITEM: Discussion and potential decision on request to install 15 minute parking in front of Ski Tech
Ski Tech requested 15 minute parking spots near their business as people are coming in to drop off skis and long term parkers are taking all of the parking. The Group discussed the current parking in the area of Ski Tech. There are two spots there now in addition to a sign that says, “Ski Tech Parking Only”. The Group agreed to talk with Ski Tech to find out how they are utilizing their own parking that they control, off the street, prior to making any decisions.

Discussion Items:

4. Discussion on results of speed counter at 6th just east of 3rd across both lanes
The Group discussed the results of the speed counter at 6th just east of 3rd across both lanes and found no justification for changing the speed limit at this location. According to the speed study results, speeding is not a problem in this area therefore the speed limit will remain the same.

MOTION:
Motion to adjourn at 9:30 AM
