Subject: Clean Energy & Electricity Resolution for Blaine

Hello,

I am writing in support of the Clean Electricity & Energy Resolution for Blaine country. As a Ketchum resident I enjoy being outside and recreating in the outdoors. I wish for our community to get behind clean energy and respond to the changing climate that is so closely connected to our lifestyle. Skiing, boating, hiking, biking, and climbing are just some of the few activities which I participate in that are largely affected by climate change. Please support the strive for clean energy and electricity in Ketchum.

Thanks for you time,
Victoria Rossin
