Subject: Street closures

Overall I am in concert with city actions. I am concerned that the closures being proposed will affect Atkinsons negatively. Atkinsons is an integral (essential) aspect to our community (as is Village Market). Please do not restrict cars to accessing Atkinsons as many of us do not want (nor should go) to market too often. I am 70 years old and will have to go on my bike - more often than weekly by car. I cannot bike safely with my groceries (unless I am only getting for myself - even then my basket does not hold all I need) Please put thought in to this issue. Thank you.
