Subject: 4th Avenue Closure

Dear City of Ketchum:

As a property owner in the Courtyard building on East Avenue, I oppose the closure of 4th Avenue. to vehicle traffic.

1. The alley behind our building is necessary for the deliveries to the 16 plus businesses in the Courtyard, as well as all the other adjacent property owners and businesses.
2. From Atkinson's door to the Community Library you are proposing 3 traffic through fares with bollards? Have you considered the quality of this closure for pedestrians and bikes, not to mention how it will look.

Please reconsider and leave 4th Avenue open to vehicle transportation, it is needed.

Thank you,
Chris and Carol Klick
