Question/Comment:

Dear Mayor and City Council Members: I am writing to let you know that I completely disagree with the closing of 4th Street. I'm not surprised that businesses are suing you over it. First of all, you are funneling bike traffic down that street and now they will have to dismount or be dangerous riding through. Since the Town Square provides so much seating it is not necessary to have a few tables on 4th. Meanwhile it is totally disrupting traffic and causing chaos and danger at other intersections. Shopping at Atkinsons is now more frustrating than ever. This road closure is very anti-progress and an over-reaction to the Covid problem. Please come to your senses and re-open the street before wasting untold taxpayer dollars on a unnecessary lawsuit caused by your own poor decision making.

Thank you,

Kate Kelly
