Subject: 4th Street

As out of town bikers, we were perplexed by the "ROAD CLOSED" sign at the entrance to 4th Street. No evidence of street construction, so we rode through and, later, at home in Hailey, read about the controversy in the "Express".

Hopefully, the following suggestion will help to solve the problem.

Change the sign to be more informative and friendly:

WELCOME
PEDESTRIANS/SHOPPERS

NO
MOTOR VEHICLES

Bikers please dismount

Sincerely,
Ted Schwerdtle
