**Subject:** 4th St closure

Dear Neil & city council members,

Please. Enough already. Closing down a street to make it a pedestrian only street is not a bad idea. The location you've chosen is awful. Not only is there a great place to sit that already exists (town square) but the pedestrian street in front of a grocery store makes no sense. Do it in front of retail stores or restaurants. Or don't do it at all.

Best

Tim Nelson
