WHEREAS, COVID-19 is a respiratory disease that can result in serious illness or death caused by the SARS-CoV-2 virus that can easily spread from person to person. The virus is spread between individuals who are in close contact with each other through respiratory droplets; and

WHEREAS, on January 30, 2020, the International Health Regulations Emergency Committee of the World Health Organization declared the outbreak of COVID-19 a public health emergency of international concern; and

WHEREAS, infection rates in Idaho have significantly increased in urban areas in recent weeks, and Blaine County and the City of Ketchum are experiencing a rise in the numbers of verified cases of COVID-19; and

WHEREAS, Blaine County School District has mandated mask wearing for students and staff, and a modified schedule to ensure in-school learning throughout the entire school year; and

WHEREAS, the emergency services and local healthcare facilities have limited capacity to handle a significant increase in COVID-19 confirmed cases in Blaine County, while healthcare facilities statewide are reaching capacity; and

WHEREAS, healthcare facilities operating at or above capacity may result in reduced healthcare availability to persons with COVID or with any other illness; and

WHEREAS, Ketchum's labor shortage could be amplified with more local COVID exposure.

NOW, THEREFORE, the Mayor and City Council support the efforts made to ensure in-school learning, minimize use of emergency services at our local healthcare facilities and protect the compromised state of Ketchum's labor shortage, and hereby recommend that all Ketchum residents and visitors wear a mask in indoor public places and outside where social distancing is not possible.

This resolution will remain in full effect upon its adoption this 7th day of September 2021.
