RIVER ACCESS

BIG WOOD RIVER (KETCHUM AREA)

- 1 RIVER'S EDGE RANCH (FROM HWY 75):** Parking on northwest corner of Hwy 75 Bridge. 10-foot wide fishing easement along east bank of river both north & south of bridge. 10-foot wide fishing easement along west bank only from bridge south.
- 2 LANE RANCH NO. 1:** Turn onto River Ranch Road, across from Elkhorn Road. A foot path leads to river from the north end of subdivision. 15-foot wide fishing easement follows bank south.
- 3 JOHN'S MEADOW SUBDIVISION, SOUTH BALDY ESTATES, POTIER SUBDIVISION, RIVER GLEN SUBDIVISION:** Turn off Hwy 75 onto Meadow Circle. Small signed parking area. Public access (non-motorized) over bridge on Meadow Circle. 10-foot wide fishing/nature study easement follows west bank both north and south from bridge.
- 4 WOOD RIVER GROUP CONDOS, DAVIS SUBDIVISION, COOPERVILLE SUBDIVISION:** No access from Wood River Drive. Park at River Run parking area (near trailhead to Bald Mountain Trail) and walk upstream about 1/2 mile. 10-foot wide fishing/nature study easement along northeast bank, accessed from river only.
- 5 ROCKING RANCH III:** Off the north end of Third Avenue. A 10-foot wide pedestrian easement runs along Bear Lane, Rocking Ranch III's private drive, to the river which is on BLM land. Easement is for day use only, no parking available. Park at Atkinson Park off Third Avenue.
- 6 PARK WOOD:** Turn onto Parkway Drive from Warm Springs Road. At end of road there is a pedestrian access to river where a 20-foot fishing/nature study easement proceeds north along east bank.
- 7 SILVER BEND SUBDIVISION, MCCOLLUM'S RETREAT:** Turn off Warm Springs Road to Rotary Park, take single lane bridge to Broadway Blvd. Follow Broadway to curve. Just east of house #421 is a wide path which leads to BLM land and the river. Limited parking by sign. This access leads to confluence of Warm Springs Creek and Big Wood River, which is on BLM land. A 10-foot wide fishing/nature study easement exists along west bank.

- 8 KETCHUM ROTARY PARK:** On south side of Warm Springs Bridge. Parking, restrooms, water fountain available. Direct access to river, where a 20-foot wide fishing/nature study easement proceeds south along east bank of river to Park Wood Subdivision, and north to Lake Creek Trailhead.
- 9 PARK & RIDE LOT, PRESBYTERIAN CHURCH:** City-owned parking lot at juncture of Warm Springs Road & Saddle Road, in front of Presbyterian Church. 25-foot easement along river bank on church property as well as direct access to river. From the Church north a 10-foot wide fishing/nature study easement follows east bank all the way north to Lake Creek Trailhead.
- 10 PARK CIRCLE, NORTHWOOD CITY PARK:** Turn off Saddle Road on Red Fox Lane to Park Circle. Parking available. Northwood City Park (undeveloped) provides access to river where a 10-foot wide fishing/nature study easement follows east bank, both north and south.
- 11 NORTHWOOD SUBDIVISION:** From Saddle Road turn onto Northwood Way to Blue Grouse Lane. Across from Blue Grouse a 5-foot wide pedestrian/equestrian access leads to river, where a 10-foot wide fishing/nature study easement follows east bank, both north and south. Subdivision roads are private, no parking available.
- 12 BEAVER SPRINGS SUBDIVISION:** At south end of subdivision off Sheep Meadow Lane a 3-foot wide access leads to river where a 10-foot wide fishing/nature study easement follows east bank, both north and south. Subdivision roads are private, no parking available.
- 13 ADAMS GULCH ROAD (BIGWOOD SUBDIVISION):** Turn off Hwy 75 at Adams Gulch Road and follow to bridge. Limited parking next to sign at bridge. A 10-foot wide fishing/pedestrian easement on east bank proceeds north to Lake Creek Trailhead (on BLM land) and south to Park Wood subdivision.
- 14 HULEN MEADOWS BRIDGE:** Ample parking on south side of bridge. Fishing regulations posted. From here south to Sun Peak picnic site is BLM land with continuous access to river on both banks. Also, from bridge north to Lake Creek Trailhead is BLM land with continuous access to river on both banks.

RIVER ACCESS

WARM SPRINGS CREEK

- 15 FERN TREE WEST, ROCKVIEW EAST CONDOS & SUBDIVISION, PIONEER CONDOS, SUN RIVER CONDOS:** Off Warm Springs Road onto Bald Mountain Road. A 10-foot wide fishing/nature study easement follows north bank but access to these easements is from the creek only.
- 16 MENDIVIL, WARM SPRINGS CREEKSIDE SUBDIVISION:** Turn off Warm Springs Road onto Irene Street. A 10-foot wide fishing/nature study easement follows north bank of creek but can be accessed from the creek only.
- 17 SCORPION & SCORPION'S LAIR:** Turn off Warm Springs Road onto Skiway Drive. Access to creek is at juncture of Skiway Drive and Picabo Street. A 10-foot wide fishing/nature study easement follows both banks northward.
- 18 GREYHAWK I-IV:** From Warm Springs Road turn onto Gates Road. 60-foot wide access to Warm Springs Creek at end of Gates Road. Bridge on right is private, bridge on left is public. Also 10-foot wide access from Picabo Street (behind Apple's - old concrete bridge) and another access via Puchner Lane. Park on city streets or at end of Puchner Lane. A 10-foot wide fishing/nature study easement follows both banks.
- 19 LOWER BOARD RANCH, PENNY LAKE:** 5-foot wide fishing/nature study easement along the east bank of Warm Springs Creek upstream from bridge. Park at Penny Lake and walk to bridge. Access to easement also available from Double Tree Lane and from area just north of Cross Cut Lane. Some buildings within easement exist as they were built before easement was granted. Penny Lake is stocked with trout by the Idaho Fish & Game Department.
