New for 2023
Courts will be
numbered 1-4

OPEN PLAY

- Groups can hold a court for an hour after another group shows up and is waiting.
- The group on the courts the longest should volunteer to come off and allow others to play.
- If both parties agree, other arrangements can be made. i.e.: one game on one game off, mix in
- Be considerate, if you have already played for more than an hour, limit your play time to 2 hours.

ROTATION PLAY

- All games will be to 11 win by 2.
- After your game incorporate the waiting players into play.
- If 4 or more players are waiting: all 4
players who finished their game come off court, and the next 4 players in line take the court.
- When all 4 courts are in use, those waiting to play should place their paddles in the paddle rack to designate next up.
- If 2 or more players want to come on together, they should stack their paddles together and wait their turn for next up.

CHALLENGE COURT PLAY

- COURTS 1 & 2-Intermediate Play (3.0-3.5) COURTS 3 & 4-Advanced Play (4.0+) MIXED-USE COURTS-Entry Level Play
- All games to 11, win by 2
- After playing, the winning side stays and plays against the first 2 new players in line. Switching Partners is optional.
- Winners stay on as long as they keep winning with a 3 game limit, then all 4 players exist and the next up players are on
