PUBLIC HEARINGS AND COMMUNICATIONS FROM STAFF – ACTION ITEMS

Tenth St, Unit A12 (Tenth Street Light Industrial Complex, Building A, Unit 12) The Commission will consider and take action on a Conditional Use Permit submitted by Carol Glenn for an acting studio and day playground for the applicant's family.**

Associate Planner Abby Rivin gave the background for the Conditional Use Permit for a Work/Live studio. The unit contained a non-conforming living space and was in violation of life safety Fire Code including the lack of handrails and guard rails. A Condition of Approval states a kitchen may not be added at a future date.

Vice-Chair Mead asked about the requirements for egress in the unit. Planner Rivin replied the egress would be reviewed during the Building Permit process. Vice-Chair Mead commented that although it has been there many years, he was glad to see it was brought up to code.

Chair Morrow opened the floor to Public Comment. There was no public Comment and Comments were closed.

Chelsea Nogle, representing the applicant, asked about the windows of other units not being operational and located 20 feet above the ground. 9. **ACTION - Nomadic Van Sun Valley, LLC Conditional Use Permit: 115C Northwood Way (Glaske Industrial Condo #2 Unit 115C) The Commission will consider and take action on a Conditional Use Permit submitted by Ron Arnold for a motor vehicle sales and rentals business.**

Senior Planner Brittany Skelton gave the background for the Nomadic Van Conditional Use Permit for the sale of motor vehicles. Public Comments were received concerning the possibility of vehicles for sale parking on the street in violation of the Ketchum Municipal Code. Staff recommended approval of the project with Conditions 1-5.

There was no discussion or questions from the Commissioners.

Ron Arnold and Gardener Cord presented the project, informing the Commission that they have on-site parking for vehicles with an additional six (6) parking spots in Hailey at River and Carbonite Streets. This would be used for finished vehicles that are for sale.

Commissioner Mead asked about where the sale would occur, and Arnold answered that the paperwork will be done at the Ketchum location. Eggers asked about the length of time they had been in business. Arnold answered they have been doing this on a limited basis since 2014. He added that without a location and a dealer's license, they were limited to selling five (5) cars per year. Having a location would allow them unlimited sales. They will only be doing oil changes and belt changes at this site. Commissioner Carter asked if vehicles for sale will be displayed on-site. Arnold explained that the marketing is done online, and the vehicles are sold before being shipped to the US, mostly to out-of-state buyers.

Chair Neil Morrow opened the floor for public comment.

Beth Ward, representing the owner of the space being rented by the applicant, had worked to find a tenant whose business would be in compliance with the zoning code and encouraged the Commission to approve the CUP.

Spencer Cordavano, upstairs resident, had no concerns with the application and thought this business would benefit the Community.

Julie Cord, wanted to see an innovative business with youthful owners and encouraged approval.

Chair Morrow then closed Public Comment.

Commissioner Eggers asked about the parking requirement. Planner Skelton related that one (1) parking space was required for every 1,000 gross square feet commercial space and this unit was in compliance. Vice-Chair Mead thought the CUP would allow this business and that it would add to the atmosphere of Ketchum. Commissioner Carter was in support. Chair Morrow also voiced support. Commissioner Eggers was sensitive to the neighbors' concerns but felt this business would not be detrimental to the area. Vice-Chair Mead thought it would benefit the area.

Motion to approve the Nomadic Van Sun Valley Conditional Use Permit with Conditions 1-5 and any other Conditions deemed necessary by the Commission and authorize the Chair to sign the Findings of Fact and Conclusions of Law.
